

**Grant Reporting HEERF II and HEERF III for Quarter Ending March 31, 2022- FINAL  
Published Date: April 8, 2022**

The Higher Education Emergency Relief Funds (HEERF II and HEERF III) are authorized by the Coronavirus Response and Relief Supplemental Appropriations Act, 2021 (CRRSAA), Public Law 116-260, signed into law on Dec. 27, 2020 and the American Rescue Plan (ARP) Public Law 117-2, signed into law on March 11, 2021. In total, the CRRSAA authorizes \$81.88 billion, and ARP authorizes \$39.6 billion in support for education in addition to the \$30.75 billion expeditiously provided last spring through the Coronavirus Aid, Recovery, and Economic Security (CARES) Act, Public Law 116-136.

Yeshivat Hechal Shemuel has signed and returned the Certification and Agreement and assures that the institution has used or intends to use the applicable amount of funds designated under the CRRSAA and ARP programs to provide Emergency Financial Aid Grants to Students.

Unlike the CARES Act, the CRRSAA and ARP require that institutions prioritize students with exceptional need, such as students who receive Pell grants, in awarding financial aid grants to students. However, students do not need to be Pell recipients nor do they need to be eligible for Pell grants to be eligible to receive HEERF grants.

Yeshivat Hechal Shemuel has been allocated \$45,602 under CRRSAA and \$110,217 under ARP to be used as Emergency Financial Aid Grants to students. Yeshivat Hechal Shemuel has disbursed \$55,901 from the Student Portion of ARP and \$41,599 from the Institution portion of ARP as grants to 103 eligible students between January 1, 2022 and March 31, 2022.

The total number of students eligible to receive ARP funding in Yeshivat Hechal Shemuel in this quarter is 103 eligible students who were enrolled for the Spring 2022 semester.

The method used by Yeshivat Hechal Shemuel to prioritize students with exceptional need was based on the following criteria:

Pell Grant recipients were prioritized and were the first students to receive ARP Grants. The independent students received a grant of \$1,050 and the dependent students received a grant of \$150. After Pell recipients were awarded, ARP Grants were awarded to non-Pell recipient students. The independent students were awarded \$1,000 grants and the dependent students were awarded \$100 grants. Yeshivat Hechal Shemuel then awarded all their independent students an additional grant of \$1,000 and included their independent non-degree seeking students in this awarding of grants.

Students were instructed that their Emergency Financial Aid Grants are non-taxable and may be used for any component of their cost of attendance or for emergency costs that arise due to coronavirus, such as tuition, food, housing, health care (including mental health care) or child care.
